

Twilight Zone

Golden Earring

Somewhere in a lonely hotel room
There's a guy starting to realize
That he's eternal fate has turn it's back on him
It's two A.M.It's two a.m. (It's two a.m.)
The fear has gone (The fear has gone)
I'm sittin' here waitin' (I'm sittin' here waitin')The gun still warm (The gun still warm)
Maybe my connection is tired of takin' chances
Yeah there's a storm on the loose, sirens in my headI'm wrapped up in silence, all circuits are
dead
I cannot decode, my whole life spins into a frenzy
Help I'm steppin' into the twilight zone
The place is a madhouse
Feels like being cloned
My beacon's been moved under moon and star
Where am I to go, now that I've gone too far?
Help, I'm steppin' into the Twilight ZoneThe place is a madhouse
Feels like being cloned
My beacon's been moved under moon and star
Where am I to go, now that I've gone too farSoon you will come to know
When the bullet hits the bone
Soon you will come to knowWhen the bullet hits the bone
I'm falling down a spiral
Destination unknown
A double-crossed messenger
All alone
I can't get no connection
Can't get through
Where are you?Well the night weighs heavy on his guilty mind
This far from the borderline
And when the hit man comes
He knows damn well he has been cheatedAnd he says
Help I'm steppin' into the twilight zone
The place is a madhouse
Feels like being clonedMy beacon's been moved under moon and starWhere am I to go, now
that I've gone too far?
Help I'm steppin' into the twilight zone
The place is a madhouse
Feels like being clonedMy beacon's been moved under moon and star
Where am I to go, now that I've gone too far?
Soon you will come to know
When the bullet hits the boneSoon you will come to know
When the bullet hits the bone
