

Moral of the Story

Ashe

So I never really knew you
God, I really tried to
Blindsided, addicted Felt we could really do this
But really I was foolish
Hindsight, it's obvious Talking with my lawyer
She said, "Where'd you find this guy?"
I said, "Young people fall in love
With the wrong people sometimes"
Some mistakes get made
That's alright, that's okay
You can think that you're in love
When you're really just in pain
Some mistakes get made
That's alright, that's okay
In the end it's better for me
That's the moral of the story, babe It's funny how a memory
Turns into a bad dream
When running wild turns volatile
Remember how we painted our house
Just like my grandparents did?
So romantic, but we fought the whole time
Should have seen the signs, yeah
Talking with my mother
She said, "Where'd you find this guy?"
Said, "Some people fall in love
With the wrong people sometimes" Some mistakes get made
That's alright, that's okay
You can think that you're in love
When you're really just in pain
Some mistakes get made
That's alright, that's okay
In the end it's better for me
That's the moral of the story, babe They say it's better to have love then lost
Than never to have loved at all
That could be a load of shit
But I just need to tell you all Some mistakes get made
That's alright, that's okay
You can think that you're in love
When you're really just engaged
Some mistakes get made
That's alright, that's okay
In the end it's better for me

That's the moral of the story
Some mistakes get made
That's alright, that's okay
You can think that you're in love
When you're really just in pain
Some mistakes get made
That's alright, that's okay
In the end it's better for me
That's the moral of the story, babe
Oh, that's the, that's the moral
