

# PUSH

DDG

Ahh! Push it! (Ou)

Ahh! Push it! (Ou)

Ahh! Push it! (Ou)

Right about now Toot that ass up, shake a lil' faster

I can't pass up, throw a lil' cash up (Ou)

Way too sauced up, dripping like pasta

Smoking like rastas, eating on lobsters (Ou)

Pockets on swole up, money on fold up

Soon as I roll up, bottles on pour up (Ou)

Haters on hol' up, bricks on load up

Ahh! Push it! (Ou)

Trapping like nashin', Diamonds keep dancing

Spent a quarter million just on fashion (Ou)

Rappers I pass'em, I'll out last'em

My squad eatin' (Push it)

My hoes classy, your hoes trashy

My bitch silky, your bitch ashy (Ou)

Niggas got questions won't dare ask me

Ahh! Push it! (Ou)

Push, push, push

Watch How I cook (cheah)

Watch how they look (cheah)

Got these niggas shook (cheah) Bitch I- bitch I'm the greatest

She peepin' my latest

I'm fuller than Vegas

On regular basis

I'm so underrated

You niggas outdated

That feature you paid it, I got it and skated

I- I made a milli off just being silly

And vloggin' with Jilly

I'm hitting and gillie

This ice got me chilly

I pop me a pillie

I stop feelin' guilty, my bank account filthy

Push, push, push

Watch How I cook (cheah)

Watch how they look (cheah)

Got these niggas shook (cheah) Toot that ass up, shake a lil' faster

I can't pass up, throw a lil' cash up (Ou)

Way too sauced up, dripping like pasta

Smoking like rastas, eating on lobsters (Ou)

Pockets on swole up, money on fold up  
Soon as I roll up, bottles on pour up (Ou)  
Haters on hol' up, bricks on load up  
Ahh! Push it! (Ou)  
Trapping like nashin', Diamonds keep dancing  
Spent a quarter million just on fashion (Ou)  
Rappers I pass'em, I'll out last'em  
My squad eatin' (Push it)  
My hoes classy, your hoes trashy  
My bitch silky, your bitch ashy (Ou)  
Niggas got questions won't dare ask me  
Ahh! Push it! (Ou)
