## TOOL

Get up get up now  
Get up get up now  
and free yourself from yourself  
and free yourself from yourself Locked up inside you  
like the calm beneath castles  
is a cavern of treasures that  
no one has been to.  
Let's go digging.  
Let's go digging.  
Bring it out to take you back in. You won't do what you'd like to do.  
Lay back and let me show you another way.  
Kill what you want to  
take what's left and eat it.  
Take all or nothing.  
Life's just too short to push it away.  
Take it all.  
Take it all in.  
All the way in  
All the way in.  
Let it go.  
Let it go in.  
You won't feel what you'd like to feel.  
Lay back and let me show you another way.  
Kill what you want to  
Take what's left and eat it.  
Take all or nothing.  
Just to short to push it-Knock me down I'll just come back running  
knock you down  
it won't be long now  
All the way in.  
All the way in. All the way.  
All the way in.  
Way in. Kill what you want to.  
Take what's left and eat it.  
Take all or nothing.  
Just to short to push it away. Take it up.  
Take it up higher.  
4 degrees now.  
4 degrees warmer.  
Give in now  
Give in now  
and let me in.

You'll like this  
Just brings us out.  
You'll like this  
It brings us closer than  
dying and cancer and crying.  
Let us  
Take it  
Take it  
You take it all  
Take it  
Take it for me  
Take it  
Take it honey  
Take it all for me  
Take it  
Take it  
Take itTake it  
Take it  
Take it  
Take it  
Take itWhy  
Kill what you want to.  
Take what's left and eat it.  
Take all or nothing.  
Just to shut the reason.  
Just like that  
Just like that  
Just like.
