

# A Love Like War (feat. Vic Fuentes)

## All Time Low

Make a wish on our sorry little hearts  
Have a smoke, pour a drink, steal a kiss in the dark  
Fingernails on my skin like the teeth of a shark  
I'm intoxicated by the lie  
In the chill of your stare I am painfully lost  
Like a deer in the lights of an oncoming bus  
For the thrill of your touch I will shamefully lust  
As you tell me we're nothing but trouble  
Heart's on fire tonight  
Feel my bones ignite  
Feels like war, war  
Feels like war, war  
Heart's on fire tonight  
Feel my bones ignite  
Feels like war, war  
Feels like war, war  
We go together or we don't go down at all  
We go together or we don't go down at all  
We go together or we don't go down at all, whoa  
Fail-safe trigger, lock down call  
Wipe the dry clean slate, quick, sound the alarm  
No escape from the truth and the weight of it all  
I am caught in the web of a lie  
And the bitch of it all is that I'm running from  
The desire of the people to whom I belong  
At the end of the day you can tell me I'm wrong  
'Cause you went to all of this trouble  
Heart's on fire tonight  
Feel my bones ignite  
Feels like war, war  
Feels like war, war  
Heart's on fire tonight  
Feel my bones ignite  
Feels like war, war  
Feels like war, war  
We go together or we don't go down at all  
We go together or we don't go down at all  
We go together or we don't go down at all, whoa  
(Let's go)  
Heart's on fire tonight  
Feel my bones ignite  
It feels like war (it feels like war)  
Love feels like war (love feels like war)  
Heart's on fire tonight  
Feel my bones ignite  
Feels like war, war  
Feels like war, war  
Heart's on fire tonight  
Feel my bones ignite

Love feels like war, war  
Feels like war, war  
(One more time!)  
We go together or we don't go down at all  
We go together or we don't go down at all  
We go together or we don't go down at all (don't go down at all)  
Is this the end of us or just the means to start again
