

For Once In My Life (with Marc Anthony)

Tony Bennett

For once in my life I have someone who needs me
Someone I've needed so long
For once, unafraid, I can go where life leads me
Somehow I know I'll be strong
For once I can touch what my heart used to dream of
Long before I knew
Oooh Someone warm like you
Would make my dream come true
Yeah yeah yeah
For once in my life I won't let sorrow hurt me
Not like it hurt me before
For once, I have something I know won't desert me
I'm not alone anymore
For once, I can say, this is mine, you can't take it
As long as I know I have love, I can make it
For once in my life, I have someone who needs me
HE He He Hey yeah
Ooh baby ooh baby
For once in my life I won't let sorrow hurt me
Not like it hurt me before
For once, I have something I know won't desert me
I'm not alone anymore
For once, I can say, this is mine, you can't take it
Long as I know I have love, I can make it
For once in my life, I have someone who needs me
For once in my life
Yeah Somebody like my
Ooh baby
