

On My Own (Giuseppe D's Pumpin' Piano Edit)

Reina

On my own - Reina
Lately I find myself
Putting on the same clothes everyday
Trying to recapture
The way it went
And I find myself
Crying in my bed
Lying like I'm dead
I'm crazy in my head
And oh, I know That the days run
And my heart is black
And my soul is lost in a maze of hate
*I don't wanna feel this hurt
I don't wanna feel this pain
I don't wanna be in silence but you took my words away
I don't wanna be insane
I don't wanna be alone
But I know I will be on my own, my own
Oh, on my own Lately I find myself
Sleeping alone with my phone
Hoping to hear you voice say
That I'm coming home
And I find myself
Rearranging my thoughts
Reversing this heart
Returning been alone from
And I know
That the days run
And my heart is black
And my soul is lost in a maze of hate *I don't wanna feel this hurt
I don't wanna feel this pain
I don't wanna be in silence but you took my words away
I don't wanna be insane
I don't wanna be alone
But I know I will be on my own, my own
Oh, on my own
How am I gonna freeze tomorrow
When it doesn't seem fair
And you let people discover such sorrow
And you don't even care And I don't wanna feel this hurt

And I don't wanna feel this pain(no, no, nooo)*I don't wanna feel this hurt
I don't wanna feel this pain
I don't wanna be in silence but you took my words away
I don't wanna be insane
I don't wanna be alone
But I know I will be on my own, my own
Oh, on my own*I don't wanna feel this hurt
I don't wanna feel this pain
I don't wanna be in silence but you took my words away
I don't wanna be insane
I don't wanna be alone
But I know I will be on my own, my own
Oh, on my ownBy NaThii_
