## Syd

Drink in your glass  
You drinking it fast  
I'm watching you dance  
You're watching my hands  
Throw it back babe  
Give it to me don't hold back babe  
If your friends could see you right now  
No lying girl I bet they'd wanna be you right now  
Your body's takin over you  
Your body's takin over you  
Baby we can take it slow, say my name  
Don't let go, I can hear your body when I  
Pull your hair, what's my name  
Girl I swear, I can hear your body babe  
The bed is your stage  
Take it away  
Put on a show  
Put on a play  
Don't ask babe  
You know I'm your number one fan babe  
So  
Get those cameras rollin right now  
I'm directing and I really wanna see you act out  
Let your body take over you  
Your body's takin over you  
Baby we can take it slow, say my name  
Don't let go, I can hear your body when I  
Pull your hair, what's my name  
Girl I swear, I can hear your body babe  
Baby we can take it slow, say my name  
Don't let go, I can hear your body when I  
Pull your hair, what's my name  
Girl I swear, I can hear your body babe

Pull your hair, what's my name  
Girl I swear, I can hear your body babe  
Now baby we can take it slow, say my name  
Don't let go, I can hear your body when I  
Pull your hair, what's my name  
Girl I swear, I can hear your body babe  
Take it slow...
