Reaction to Action

Foreigner

(spoken: Check 1, 1, 1) Alright

It's hard getting through to me

I'm truly elusive

I got my own point of view

I am the one of a kind

And I tell you l'il girl

I'm fascinated by you

There's something about you

That makes all the difference

Like the night is to day

Well I can get along without you

But I know that within you

You've got what I'm missing

And I'll find a way

To get reaction to action

Hey, say the word that would thrill me

Yeah, I need reaction to action

Just one look that would kill meYou got a way of drawing attention to you

You know you stand out in a crowd

But the way that you play

With any man's affections

Should never be allowed

See I consider myself

The one who will show you

I'd go as far as to say

Girl, I ain't leaving here without you

But you better understand

There's only one rule in this game we're gonna play

And that's reaction to action

Maybe like a word that would thrill me

I need reaction to action

One look that would kill me

Give me reaction to action

It's getting late I'd better make a definite move

Reaction to action

And after that baby, it's up to youI need reaction to action

Just a word that would thrill me

I need reaction to action

You know what I'm talking about

Give me some reaction to action

You got a look, you got a way that'll kill me

Reaction to action, reaction to action, action Baby, don't think about it, just react

Reaction to action
