

A Rose Is Still a Rose

Aretha Franklin

(Speaking:) Listen dear,
I realize that you've been hurt,
Deeply, because I've been there,
But regardless to who, what, why, when, and where,
We are all precious in his sight.
And a rose still and always will be a rose. (Singing:) Doo doo doo doo doo doo mmm
Dooby dooby doo doo doo doo
Doo doo doo doo doo doo mmm There was a rose I knew, I met her once or twice before
She was a pretty sweet thing, not the least bit insecure
Then you came with your slick game and played with her youth
Ashamed of the way you lied, played with the truth, hey, hey
Mmm, she never knew what hit her
Steal her honey, then forget her
Now the rose is scorned
She wears her thorns tryin' to forget about you 'Cause a rose is still a rose
Baby, girl, you're still a flower
He can't leave you and then take you
Make you and then break you
Darlin', you hold the power Now believe me when I tell you that I've been hurt myself
When he tells you that he loves you and sees nobody else
And now you're so tough tryin' to wear tight clothes and things
Tossin' and flossin', tryin' to fill the void heartbreak brings Oh.oh.yeah
When she faces the mirror, yeah
She's cryin', you can't hear her
Now the rose is scorned
She wears her thorns tryin' to forget about you
'Cause a rose is still a rose
Baby, girl, you're still a flower
He can't lead you and then take you
Make you and then break you
Baby, girl, you hold the power See a rose is still a rose
Baby, girl, you're still a flower
He can't lead you and then take you
Make you and then break you
Darlin', you hold the power Let your life be in the sunshine
Not the darkness of your sorrow
You may see your all today
When you know it'll come tomorrow Tough to be, but life ain't over
Just because your man is gone
Girl, love yourself enough to know
That without him your life goes on
Without him your life goes on

Without him your life goes on 'Cause a rose is still a rose
Baby, girl, you're still a flower
He can't lead you and then take you
Make you and then break you
Baby, girl, you hold the power See a rose is still a rose
Baby, girl, you're still a flower
He can't lead you and then take you
Make you and then break you
