

Blue Wind

Jeff Beck

I'm nervous. I'm I'm nervous Amu jay of the wolf and big sean... Rolling down
Crise dae start, crise dae start, crise dae startttt...

Na so crise dae start ×6

Amu Jay on this beat motherfckers wanna talk about it
Tell these niggas to fk up they dnt knw wht fk up till about me
Papay Chimboo is killing this beat with a fking temper
Go stick ur ass up don't let me loose my fking tiny temper, yeah

Mehn ar dope nd u knw say ar strange bho

Borbor from the south and I'm repping BO town city

So when ar talk u get for listen, I'm done with this beat so big sean watin u dae pan

Na so crise dae start ×6

Dropping on the beat like an AK47

Finger on the trigger taking off the 37... 101 101 3-47, Sean is a king, when I die I know I'm
gonna heaven

Speed lane, rest in peace Paul Walker... RIP they say rest in peace, RIP nw I say rest in pussy'
broke bottle wape u wase... Na soooo

Na so crise dae start ×12
