There's just one place for me

Near you It's like heaven to be

Near you

Times when we're apart

And I can't face my heart Say you'll never stay

More than just two lips away If my hours could be spent

Near you I'd be more than content

Near you Make my life worth while

By telling me that I'll

Spend the rest of my days

Near you near you - near you

Make my life worth while

By telling me that I'll spend the rest of my days

Near you Spend the rest of my days

Near you
