## 6ix9ine

Got me, got me Rollie  
Ya can't even afford it though  
Got me, got me, ultra  
Gotti got it, uh  
Gotti got it Came up blood gang, 30 bang, Scum Gang  
Big choppa, big thang, let your nuts hang  
Who that? Don't say, BBA change your mood, aye  
Anyday, Gotti Gotti, cookin' up, speed it up  
Double cup, xanny cup, booted up, mollied up  
Molly up, break it up, cop it, then I serve it up  
Give it up, Gotti Gotti  
Fuck with my day ones  
Yeah you know I flooded the chain once  
Got the money and I split it with day ones  
She ain't fuck me back when I was lame, nah  
Yeah you know I do my dance (do it)  
Hit the club (aye), throwin' dub  
Rack it up (rack it), shake it up  
Watch me do it, how it bust it up (up)  
I mix it hard, then I hit her with the blicky, uh  
So drip it, drip it, drip it, drip it  
You ain't got no money, you can keep her  
Bitch, I got my Nina, I'ma squeeze her  
If you really wanna meet her, she a greeter  
It was really nice to meet ya, I don't need ya (I don't need her)  
I pray to God that my niggas gon' eat (I pray to god)  
I pray to God that my family gon' see (I pray to god)  
Prayin' that the lord take a chance with me  
Wouldn't come when I was up  
I was on the wrong things  
I ain't silly, ain't no dumb nigga, are you dumb, nigga?  
Are you stayin' with the pump, nigga? Fuck is up, nigga?  
Is you mad? You's a fuck nigga, I don't trust niggas  
Scum Gang, chew 'em up, nigga, we don't fuck witcha  
Okay, my blood gang, 30 bang, scum gang

Anyday, Gotti got it, cookin' up, speed it up  
Double cup, Xanny cup, booted up, mollied up  
Molly up, break it up, cop it, then I serve it up  
Give it up, Gotti Gotti Gotti got it
