

# Smokin & Drinkin

## Danny Brown

Check  
A-Trak, what up? Drop a deuce in that soda  
Tell your ho to come over  
Coming straight out that Motor  
Sipping oil never sober  
Bring backwoods of that OG, we smoking them back-to-back  
Molly looking like sugar, so you know that I'm dipping it  
See my jeans by the stack, and my shoes cost 'bout half of that  
Let's not talk 'bout the shirt  
She can't even pronounce that  
Ghetto nigga on high end  
My theory is low end  
My tribe on a quest, put that money in motion  
So bitch, we smoking and drink  
Drinking and smoke  
My ho got tats on her face  
Sell me them cookies from Oakland  
But not the kind that you eat, stuff it in Swisher Sweets  
And we smoke blunt after blunt after blunt after blunt after blunt after blunt after blunt  
I don't know what y'all be thinking  
Spaced-out, rolling up that stinky  
Big big blunts the size of pinkies  
Pour one out, we still be leaning  
I don't know what y'all be thinking  
Smoking, drinking, drinking, smoking  
In that order, we slow motion  
'Til it's over, never stop Smoking and drink  
Drinking and smoke  
We be smoking and drink  
Drinking and smoke  
We be smoking and drink  
Drinking and smoke  
We be smoking and drink  
Drinking and smoke  
Gotta get away, to escape, I smoke this kush to the face  
Gotta get away, get away, I think I need the brain  
Please oh Lord, oh Lord, I need your help again  
Took too many pills, and I think I hear my heart beating  
Taking over those chances, honey backwoods stuffed with that grammy  
My ho blowing that powder, mixing liquor with them xannies  
Stress party, get away, hope that these problems just go away  
Right there in my face, I ignore it every day Smoking and drink

Drinking and smoke  
We be smoking and drink  
Drinking and smoke  
We be smoking and drink  
Drinking and smoke  
We be smoking and drink  
Drinking and smoke I don't know what y'all be thinking  
Spaced-out, rolling up that stinky  
Big big blunts the size of pinkies  
Pour one out, we still be leaning  
I don't know what y'all be thinking  
Smoking, drinking, drinking, smoking  
In that order, we slow motion  
'Til it's over, never stop Smoking and drink  
Drinking and smoke  
We be smoking and drink  
Drinking and smoke  
We be smoking and drink  
Drinking and smoke  
We be smoking and drink  
Drinking and smoke
