

You Don't Know Me

[Jerry Vale](#)

You give your hand to me
And then you say hello
I can hardly speak
My heart is beating so
And anyone can tell
You think you know me well
But you don't know me Oh you don't know the one
That thinks of you at night
Who longs to kiss your lips
And yearns to squeeze you tight
No I'm just a friend
That's all I've ever been
You just don't know me
I never knew the art of making love
Though my heart aches with love for you
Afraid and shy, I let my chance go by
The chance that you might love me too You give your hand to me
And then you say goodbye
I watch you walk away
Beside the lucky guy
You'll never, never know
The one who loves you so
You just don't know me I never knew the art of making love
Though my heart aches with love for you
Afraid and shy, I let my chance go by
The chance that you might love me too
You give your hand to me
And then you say goodbye
I watch you walk away
Beside the lucky guy
Wholl never, never know
The one who loves you so
You just don't know me You'll never, ever know
Mmmm, cause you just don't know me
