

# I'm Still in Love with You

Al Green

spending my day thinking bout you girl  
being here with you, being near with you, I can't explain myself  
why I feel like I do (like I do)  
though it hurt me so, to let you know when I look in your eyes  
and if you let me know how you feel  
let me know if this love is really real, but it seems to me  
that i'm wrapped up in your love  
don't you know that i'm still in love, sho-nuff in love with you, hey  
heaven knows that i'm still in love with you, sho-nuff in love with you hey  
hey hey, when I look in your eyes, aw for all the years i see (i see)  
me loving you, and you loving me, hey seem to me  
that i'm still wrapped up in your love  
don't you know that i'm still in love, sho-nuff in love with you, hey i'm, i'm
