

Bomb the Blocks (Ghislain Poirier Remix)

Bassnectar

What
Toss it, toss it- toss it- toss it up
Throw yo hands up
All of the open mics to all worldwide clubs
Toss it up
MC's Bomb the Blocks say
Toss it up, what
Breakbeat pops a lock say So, this is where the party at
I need room
Move a little bit and groove cos' honeydew
Can you serve it up like cups of gin and juice
Don't slap me cos' I'm not in the mood
(??) in the ladies' room
Got to keep the game on tight, yes I do
Uubahda ah da hallabag
Take me to a telly and rocks a watta
What
Throw yo hands up
All of the open mics to all worldwide clubs
Toss it up
MC's Bomb the Blocks say
Toss it up, what
Breakbeat pops a lock say (ah figure the res out yourself)
