

Lost and Found

Randy Rogers Band

Day after day,
I tell myself you never meant the words that you said,
Night after night I lie here alone,
Can't get you out of my head,
Like a fool I let our love slip away,
Left me here what more can I say, CHORUS:
Missed my chance I lost my turn,
My ship sank, I crashed and burned
Broke your heart then I let myself
down, Lost the fight I lost the game,
Now there's only me to blame,
If you wonder where I am check the
lost and found.

Time after time I fell short of the man you needed me to be,
Lie after lie I left you no choice but to pack your clothes and leave,
Got to much pride to beg you to stay,
But before you go just let me say CHORUS:
Missed my chance I lost my turn,
My ship sank, I crashed and burned
Broke your heart then I let myself
down, Lost the fight I lost the game,
Now there's only me left to blame,
If you wonder where I am check the
lost and found.

My ship sank, I crashed and burned,
Broke your heart then I let my selfdown,
Lost the fight I lost the game,
Now there's only me left to blame,
If you wonder where I am check the lost and found.
If you want to find me.
