

# Amen (feat. Drake)

## Meek Mill

I just wanna thank God  
For all the pretty women he let into my life  
All the Benjamins you let me count  
Wealth and health  
For my family  
And lettin' me ball on these niggas Now there's a lot of bad bitches in the building  
(Amen)  
A couple real niggas in the building  
(Amen)  
I'm finna kill niggas in the building  
(Amen)  
I tell the waiter fifty bottles and she tell me say when  
And I say church  
(Preach)  
We make it light up like a church  
(Preach)  
She wanna fuck and I say church  
(Preach)  
Do Liv on Sunday like a church  
(Preach) Bottle after bottle  
Drink until I overdose  
Pull up in the Phantom  
Watch them bitches catch the Holy Ghost  
Errtime I step up in the dealer I be goin' broke  
Shorty wanna fuck me  
I say get on top and roller coast  
And I lay back  
She go cray  
Fk me good  
But she no stay  
Murder on that pussy  
let her boyfriend get that DOA  
Get it?  
And all I get is Frito Lay  
Plus I'm on probation  
When they test me I just pee Rozay  
Cause last night  
I went hard  
Peach Ciroc  
Patron and all  
Thirty racks on magnum bottles  
I think I was born to ball

Lookin' like a million plus  
Fresh I'm out that corner store  
Hater I be doin' me  
You guys should be doin' y'all I'm stackin' money to the ceiling  
All this ice that's in my Rollie I  
be chillin'  
And I just made a couple million  
So I could take care of them children, let's go  
Now there's a lot of bad bitches in the building  
(Amen)  
A couple real niggas in the building  
(Amen)  
I'm finna kill niggas in the building  
(Amen)  
I tell the waiter fifty bottles and she tell me say when  
And I say church  
(Preach)  
We make it light up like a church  
(Preach) She wanna fuck and I say church  
(Preach)  
Do Liv on Sunday like a church  
(Preach) Just bought my niggas some cane  
So much it came with a plane  
Bought my niggas some dope  
So much it came with a boat  
I just bought me a crib  
So big it came with a moat  
For niggas jumping the fence  
I hope you niggas can float  
And I just hope that I'm forgiven  
For carin' 'bout how they livin'  
And loanin a little money  
And keepin' 'em out of prison  
I ain't lyin' in my verses  
I'm just telling you the basics  
Of growin' up with your friends  
And becoming the one that made it, yes lord!  
All gold, man I got these bitches sold  
Talkin' bout these other rappers getting old is even getting old  
Worrying about your followers, you need to get your dollars up  
Me and Meek  
Young niggas poppin' like our collars up  
And good ain't good enough,  
And your hood ain't hood enough  
Spent my whole life putting on  
You spend your whole life putting up  
Ain't no telling when I go,  
So there ain't shit that I'mma wait for  
I'm the type to say a prayer  
Then go get what I just prayed for  
Now there's a lot of bad bitches in the building  
(Amen)  
A couple real niggas in the building

And if she knock I let her in  
I have her wet by 12 o' clock  
then 3 o' clock she wet again  
I'm screaming Oh Lord  
that pussy good

I'm tryna hold on  
I wish I could, you think I should  
She got that million dollar body  
shorty my Bugatti  
And she said she got a man  
We keep it secret illuminati(Got Patron on deck)  
And Ciroc all in my bottle  
(Push it all on her)She was on that Reposado  
(She take it all off)  
And I think I'll rep Serato  
In this bitch I'm spending like I hit the lotto  
Cause it's a lot of...Bad bitches in the building
