

# D4L (feat. The-Dream)

## Sevyn Streeter

Ay, boy, I don't have all the answers  
Except when it comes to us  
I hope I'd answer your questions  
When you ask who do I love  
For you, boy, I'm really lit right beside you  
When you in the club tipping  
I can be your, be your wife or your mistress  
As long as I got you, baby, it ain't no tripping  
I'm down for life, D4L, D4L  
Me and your girl ain't alike  
I'm D4L, D4L  
Baby, nothing lasts forever  
Unless you're down for whatever (  
All day)  
Down for life, I'm D4L, D4L  
I see you playing your odds with some of them girls up in this club  
And hollering at my friends trying to get them on your wish list  
I know you got that super drive, so I'mma make it happen  
Anything for daddy, let me work my magic  
Just tell me what you want, baby And I will bring the promise to life I'mma bring that life to  
you now My girl like what you done did I'm playing on this level Are we playin' "  
Have you ever?" [Chorus: Sevyn Streeter] I'm down for life, D4L, D4L Me and your girl ain't  
alike I'm D4L, D4L Baby, nothing lasts forever Unless you're down for whatever (  
All day) Down, down for life, I'm D4L, D4L [Verse 1: Sevyn Streeter] Ay, boy, I don't have all  
the answers Except when it comes to us I hope I'd answer your questions When you ask who do  
I love For you, boy, I'm really lit right beside you When you in the club tipping I can be your,  
be your wife or your mistress As long as I got you, baby, it ain't no tripping [Chorus: Sevyn  
Streeter] I'm down for life, D4L, D4L Me and your girl ain't alike I'm D4L, D4L Baby, nothing  
lasts forever Unless you're down for whatever (  
All day) Down, down for life, I'm D4L, D4L [Bridge: The-Dream] Radio Killa Ain't nothin'  
realer You can't kill us Radio Killa [Chorus: Sevyn Streeter] I'm down for life, D4L, D4L Me
