

I've Been Let Down

Mazzy Star

I've been let down
And I'm still coming round
I've been put down
And I'm still coming round for you
Coming round for you Take away everything if it feels fine
Catch a shape in the circles of my mind
Make me feel like I belong to you
Make me feel it even if it ain't true Catch a train on a silver afternoon
A thousand miles and I'm gettin' there too soon
Take me there, when I should be going home
Tell me why I'm still feeling (all) alone
I've been let down
And I'm still coming round
I've been put down
And I'm still coming round for you
Coming round for you
