

# Better

## Hezekiah Walker

People come  
People go  
You're life has been  
Out of control  
You're confused  
Don't worry your soul  
It will get better  
Better  
It will get better  
Better  
It will get better  
God is in control  
Find your praise  
Within your heart  
Hold it close  
Don't ever depart  
It gets cold in the night  
But you'll be alright  
It will get better  
Better  
It will get better  
Better  
It will get better  
God is in control  
Whatever state I find myself in  
I learn how to be secure  
Knowing that God  
Will supply all my needs  
And will work things out for my good  
It will get better  
Better  
God is in control
