

Y'all Want a Single

Korn

Y'all want a single say fuck that
Fuck that, fuck that
Y'all want a single say fuck that
Fuck that, fuck that
Y'all want a single say fuck that
Fuck that, fuck that
Y'all want a single say fuck that
Boom Boom Boom Boom What's going on today? We gotta break away
We've got a problem and
I think it's going to make us go down.
They think we're all the same
And always we're to blame
Bullshit I think is lame
It's time to stop the game
I think it's time to pay for everything you made me say.
Y'all want a single say fuck that, fuck that
Fuck that, fuck that, fuck that
What's going on today?
Why must it be this way?
We're going nowhere and We're still knocking the need to bow down.
They think we're all the same
And always we're to blame
Bullshit I think is lame It's time to stop the game
I think it's time to pay for everything you make me say.
Y'all want a single say fuck that, fuck that
Fuck that, fuck that, fuck that!
We are the ones breaking you down
We are the hole to drown out your sounds
All across the world you've fake what you found
All across the world you're breaking you down
Y'all want a single say fuck that
Fuck that, fuck that shit!
Fuck!
Y'all want a single say fuck that
Fuck that, fuck that!
Want a single say fuck that, fuck that fuck that
Y'all want a single say fuck that, fuck that
Fuck that, fuck that, fuck that!
