

Hitchcock Railway

Joe Cocker

Two train tickets into L.A.
One round trip the other way
Oh, I get the feelin' when forever calls
I get the feelin' when forever calls Home trip ticket sail away
Hand grip, Hitchcock Railway
Soft ride, made for comfort
Been tried, guaranteed passport Hitchcock Railway, please don't fail to pay
Hey, I'm gonna ride, I'm gonna testify
Get my soul, lift my mind Good stop, good day
Hitchcock Railway
Free fare, conductor's comim
Prepare, better start runnin'
On time, hold you through now
State line, I've been convicted Quick stop, good day
Hitchcock Railway Please hold on
Ooh, somebody take a train ride
Ooh, leap on Two train tickets into L.A.
One round trip the other way
Oh, I get the feelin' where the river falls
I get the feelin' where the river falls Home trip ticket sail away
Hand grip, Hitchcock Railway
Soft ride, made for comfort
Been tried, guaranteed passport
Hitchcock Railway, please don't fail to pay
Hey, I'm gonna ride, I'm gonna testify
Get my soul, lift my mind Good stop, good day
Hitchcock Railway I'm gonna take the safe way home, oh alright
I'm gonna ride a train back home
I'm gonna buy me a ticket at a station
Don't want to go on a train tonight On a train tonight
On a train tonight
On a train tonight
