

# I Wanna Be a Bear

## Descendents

Got your jourdache jeans  
Got your pretty long hair  
Dinner and a movie powder your nose  
Take their honey for lay  
Just like pay  
You're just a human being on this planet  
You're just flesh and blood like all the rest  
You'll get old and have a wrinkled ass  
Humans are ses I want to be a bear  
I want to shit in the woods  
In my cave hunt my prey  
Could be you, I want to have food  
Burgers not berries  
Ladies are women but women are ladies  
Got a baited hook you are calling it  
Your cherry  
You want to settle down  
And you want to get married  
I don't want to smell your muff
