

Heaven Help

[Lenny Kravitz](#)

There comes a time to be free of the heart
I wanna be ready, ready to start
On a love journey, got places to go
Made up my mind and I have got to let you know Heaven help the heart that lets me inside
Heaven help the one who comes in my life
Heaven help the fool that walks through my door
'Cause I decided right now
I'm ready for love
A funny feeling's coming over me
Now I'm inspired and open to being
In a love place but it's out of my hands
I'm telling you baby that you got to understand Heaven help the heart that lets me inside
Heaven help the one who comes in my life
Heaven help the fool that walks through my door
'Cause I decided right now
I'm ready for love I can't see what's out there for me
And I know love offers no guarantees
I'll take a chance and I'm telling you something babe
I got to let you know
Heaven help the heart that lets me inside
Heaven help the one who comes in my life
Heaven help the fool that walks through my door
'Cause I decided right now
I'm ready for love, ready for love
Take a chance, take the chance on love
