

Most Toys

Marillion

But he who dies with the most toys...
is still dead

He who dies with the most toys...
is still dead. You have to be cool

You have to be hip

You have to be chic

You have to be rich

You have to be young

Whatever that is

You have to listen to what's in and
what's happenin'

But

He who dies with the most toys...
is still dead. You have to keep up

Take the right drugs

Know when to be cagey

Know when to shut up

You have to talk fast

Know who to thank

Drive the right car to the right bank

But He who dies with the most toys...

is still dead.

Poison your life

As you turn the knife He who dies with the most toys...

is still dead.
