

Kids In Love

Mayday Parade

I looked back to the one and only summertime
When my girl was the envy of every friend of mine
 She slept safely in my arms
We were so young and invincible
 Closed lips
 She was never one to kiss and tell
Those trips in the summer never went so well
 Young love was such dumb love
 Call it what you want
 It was still enough
 And it's still out of my reach
 And you're still
All of the things that I want in my life
 How could I ask you to leave me?
 And we were just kids in love
 The summer was full of mistakes
 We wouldn't learn from
The first kiss stole the breath from my lips
Why did the last one tear us apart?
Our breath smelled of cigarettes and alcohol
 We walked down the beach, counting every star
 Hearts beat inside out chest
Leaving us gasping for every breath
Her smile with the wind blowing through her hair
 Was so contagious in the air
 So satisfying
 And I'm still smiling
 And it's still out of my reach
 And you're still
All of the things that I want in my life
 How could I ask you to leave me?
 And we were just kids in love
 The summer was full of mistakes
 We wouldn't learn from
The first kiss stole the breath from my lips
Why did the last one tear us apart?
We're falling down
 (Can we pick up the pieces?)
 We're at an all-time low
 (How do we get it back?)
 We're falling down
 (Can we pick up the pieces?)
 We're at an all-time low
(How do we get it back?)
We're falling down
 (Can we pick up the pieces now?)
 'Cause we were just kids in love

The summer was full of mistakes
We wouldn't learn from
The first kiss stole the breath from my lips
Why did the last one tear us
We were just kids in love
The summer was full of mistakes
We wouldn't learn from
The first kiss stole the breath from my lips
Why did the last one tear us apart?
The first kiss stole the breath from my lips
Why did the last one tear us apart?
