

# Devil's Been Talkin'

## NEED TO BREATHE

Bag of bones and blood red cheeks  
Guilty from the words I speak  
Say the truth will set you free  
But it won't for me 'Cause I'm uneasy in my skin  
Hangin' on by a thread  
Life it hasn't left me yet  
But I won't forget The devil's been talkin'  
The ship is setting off to sea  
But it's sailing without me  
I can't help but feel I'm on  
An island born to sink  
The devil's been talkin'  
We can't change who we are  
We are all alone I'm running out  
Of this hole alone  
These fingers bled  
Down to the bone  
And I can't move  
This hell is cold  
The chorus sings  
This is home  
The devil's been talkin'  
Bag of bones and blood red cheeks  
guilty from the words I speak  
Say the truth will set you free  
But it won't for me  
The devil's been talkin'
