

# Sorry Sorry

Rooney

Well, I met this girl on a  
Saturday night (x6)She sat there all alone with a Shirley Temple and a cellular phone  
No one to call, no one to ring  
'Cause no one's home  
The bartender knew her number and name  
I grabbed my cell phone and gave her a ring  
Wrong number  
I guess I gotta do it the hard way  
I walked up to her having seen the future and saidI'm sorry sorry for making your life a living  
hell (x2)But that wasn't me  
That was alter ego  
Yes, that wasn't me  
That was Johnny Rockets  
She was so confused  
From her point of view  
I would be confused too  
I'm so rude  
What was I thinking?  
But, but  
She dug my hair and new suede shoes  
So much she dragged me straight, straight to her room  
And I was forgetting what I knew I would do  
Two hours later we lay on the bed and I saidI'm sorry sorry for making your life a living hell  
Yes I'm, I'm sorry sorry for making your life a living hellThat wasn't me  
That was alter ego  
That wasn't me  
That was Johnny Rockets  
Take it away  
I'm sorry sorry for making your life a living hell  
I'm sorry (x4)  
I'm sorry sorry for making your life a living hellI'm sorry (x3)  
WOOO!I'm sorry sorry for making your life (x2)  
I'm sorry sorry for making your life a living hell
