

# Anyway (Junior High Dance Version)

## Dynamite Hack

you gotta be kidding me  
i'm through with you girl anyway  
i'll wait for you i always do  
it's dumb but i want to anyway \*\* so here we are stuck in hell  
same old game we know it well  
i don't mind... anyway  
spark it up and numb me on and off again  
oh what the hell  
i don't mind... anyway  
been sittin' here have another beer  
i'm drunk but i want some anyway  
i just don't care enough about you  
so fuck you anyway \*\* so here we are stuck in hell  
same old game we know it well  
i don't mind... anyway  
spark it up and numb me on and off again  
oh what the hell  
i don't mind... anyway you gotta be kidding me  
i'm through with you girl anyway  
too numb to know that i'm happy  
without you i'm better off anyway i just don't care enough about this to make the effort to show  
you  
that i care enough to try to get you back in bed with me  
\*\* so here we are stuck in hell  
same old game we know it well  
i don't mind... anyway  
spark it up and numb me on and off again  
oh what the hell  
i don't mind... anyway
