

# Black Sheep

## Metric

Hello again, friend of a friend, I knew you when  
Our common goal was waiting for the world to  
end  
Now that the truth is just a rule that you can bend  
You crack the whip, shape-shift and trick  
the past again  
I'll send you my love on a wire  
Lift you up, everytime, everyone, ooo, pulls away,  
ooo  
From you  
Got balls of steel, got an automobile, for a minimum wage  
Got real estate, I'm  
buying it all up in outerspace  
Now that the truth is just a rule that you can bend  
You crack the whip, shape-shift and trick, the past again  
I'll send you my love on a wire  
Lift you up, everytime, everyone, ooo, pulls a way, oo  
It's a mechanical bull, the number one  
You'll take a ride from anyone  
everyone wants a ride, pulls away, oooh from you
