

# If Looks Could Kill

## Heart

Caught you in the act, can't put up with that  
Messing where you shouldn't be  
I wanna hear you say you're sorry  
'Cause nobody takes advantage of me You're missing the mark, shooting in the dark  
I'm pulling the wool from my eyes  
Baby, don't you push me further  
It's gonna hurt you if it happens twice If looks could kill  
You'd be lying on the floor  
You'd be begging me "Please, please  
Baby, don't hurt me no more" If looks could kill  
You'd be reeling from the pain  
And you'd never lie again  
If looks could kill  
You're living on the edge, hanging by a thread  
I'm watching every move you make  
You don't want to see my anger  
So don't you make another mistake Love is on the line, I ain't about to be kind  
That's a promise and a threat  
If I was you, I'd really cool it  
Or risk a night you'll never forget If looks could kill  
You'd be lying on the floor  
You'd be begging me "Please, please  
Darlin', don't hurt me no more" If looks could kill  
You'd be reeling from the pain  
And you'd never lie again  
If looks could kill  
I was a fool to believe in you  
A sucker for every line  
I'm a little less blind than I was before  
I can see right through your design If looks could kill  
You'd be lying on the floor  
You'd be begging me "Please, please  
Baby, don't hurt me no more" If looks could kill  
You'd be reeling from the pain  
And you'd never lie again  
If looks could kill  
You'd be lying on the floor  
You'd be begging me, "Please, please  
Baby, don't hurt me no more  
If looks could kill  
You'd be reeling from the pain  
And you'd never lie again

If looks could kill, if looks could kill
