

Chica loca (Radio Edit)

Antonia

Love, love, love, love, love
Love, love, love, love, love
Love, love, love, love, love
Love, love, love, love, love Sunrise, someone turn the
music up
Blue skies, it's better than
dreaming
It's that time, time to raise
your glasses up
Tonight is everything Making every moment count
Live like it's our last
When our time is running out
We can love till there's nothing left
Hey, esta noche yo soy
Chica loca te quiero
Cuando bailas me muero
Dance como el ritmo de cha
Let's go do it, chiquito
Dale, dale, baila Love, love, love, love, love
Love, love, love, love, love
Love, love, love, love, love
Love, love, love, love, love A good life is hard to find
A good love is hard to steal
Tonight we're gonna do it
until we die
If we don't, then no one will
Making every moment count
Live like it's our last
When our time is running out
We can love tip there's nothing left Hey, esta noche yo soy
Chica loca te quiero
Cuando bailas me muero
Dance como el ritmo de cha
Let's go do it, chiquito
Dale, dale, baila Love, love, love, love, love
Love, love, love, love, love
Love, love, love, love, love
Love, love, love, love, love Hey, esta noche yo soy
Chica loca te quiero
Cuando bailas me muero
Oh oh oh oh
Dance como el ritmo de cha

Let's go do it, chiquito
Dale, dale, bailaHey, esta noche yo soy
Chica loca te quiero
Cuando bailas me muero
Oh oh oh oh
Dance como el ritmo de cha
Let's go do it, chiquito
Dale, dale, baila.
