

# One Time

## Justin Bieber

Aye, aye, aye, aye  
Aye, aye, aye, aye  
Me plus you  
(I'ma tell you one time)  
Me plus you  
(One time, I'ma tell you one time)  
Me plus you  
(One time, I'ma tell you one time)  
One time (one time)  
One time  
When I met you girl my heart went knock knock Now them butterflies in my stomach won't  
stop stop  
And even though it's a struggle love is all we got  
So we gonna keep keep climbin' to the mountain top  
Your world is my world  
And my fight is your fight  
My breath is your breath  
When you're hurt and now you're my  
One love  
My one heart  
My one life for sure Let me tell you one time  
(girl I love, girl I love you)  
I'ma tell you one time  
(girl I love, girl I love you) And I'll be your one guy  
You'll be my number one girl  
Always making time for you  
I'ma tell you one time  
(girl I love, girl I love you)  
I'm a tell you one time  
(girl I love, girl I love you)  
You look so deep  
You know that it humbles me  
You're by my side and troubles -- they don't trouble me  
Many have called but the chosen is you  
Whatever you want shawty I'll give it to you  
Your world is my world And my fight is your fight  
My breath is your breath  
When you're hurt and now you're my  
One love  
My one heart  
My one life for sure Let me tell you one time  
(girl I love, girl I love you)

I'ma tell you one time  
(girl I love, girl I love you)And I'ma your one guy  
You'll be my number one girl  
Always makin' time for you  
I'ma tell you one time  
(girl I love, girl I love you)  
I'ma tell you one time(girl I love, girl I love you)  
Shawty right there  
She's got everything I need  
And I'ma tell her one time  
(One time, one time)  
Give you everything you need  
Down to my last dime  
She makes me happy  
I know where I'll beRight by her side cause  
She is the one for me  
And girl you're my one love  
My one heart my one life for sure  
Let me tell you one time(girl I love, girl I love you)  
I'ma tell you one time  
(girl I love, girl I love you)  
And I'll be your one, guy  
You'll be my number one, girl  
always makin' time for you  
I'm a tell you one time  
(one time)  
I'm a tell you one time  
(one time)  
Me plus you  
(I'ma tell you one time)  
Me plus you  
(One time, I'ma tell you one time)  
Me plus you  
(One time, I'ma tell you one time)  
One time (one time)  
One time
