## **Movie Star**

## Cracker

Well the movie star, well she crashed her car
But everyone said she was beautiful even without her head
Everyone said she was dangerousWell the chief of police kept the crime off the streets
Deep in his heart, we all knew he felt differently

We all knew he was an anarchistWell I, I'd like to devour you

But you, you'd probably devour meFor your golden wheat, for your oat bran head

Deep in my heart

Girl you're a beautiful animal I'll put a tag on your ear

Here we go!Well the movie star, well she crashed her car But everyone said she was beautiful even without her head Everyone said she was dangerousWell the chief of police kept the crime off the streets

Deep in his heart we all knew he felt differently We all knew he was an anarchistWell I, I'd like to devour you But you, you'd probably devour meWell I, I'd like to devour you

But you, you'd probably devour me

Girl you're a beautiful animal
