

Red Dragon (feat. Moka Only)

Swollen Members

From the lungs of an original member,
Savagest traveler,
Pick my teeth with the bones of Kadavor,
Ravage and magic there's
Swing with Battle Axe cuz I can't stay average
Roll with the maverick
Down with the ice vein
the phantom
why can't the? pattern of
it's dark when I wake up dark when I sleep
Acid on your brain makes the
