

# Electric Eye

## Judas Priest

Up here in space  
I'm looking down on you  
My laser's trace  
Everything you do  
You think you've private lives  
Think nothing of the kind  
There is no true escape  
I'm watching all the time  
I'm made of metal  
My circuits gleam  
I am perpetual  
I keep the country clean  
I'm elected, electric spy  
I'm protective, electric eye  
Always in focus  
You can't feel my stare  
I zoom into you  
But you don't know I'm there  
I take a pride in probing  
All your secret moves  
My tearless retina  
Takes pictures that can prove  
I'm made of metal  
My circuits gleam  
I am perpetual  
I keep the country clean I'm elected, electric spy  
I'm protective, electric eye  
Electric eye  
In the sky  
They feel the stare  
So always there  
There's nothing you can do about it  
Develop and expose  
I feed upon your every thought  
And so my power grows  
I'm made of metal  
My circuits gleam  
I am perpetual  
I keep the country clean  
I'm elected, electric spy  
I'm protective, electric eye  
I'm elected, electric spy

I'm elected  
Protective, detective  
Electric eye
