

Gold Bones

Colours

now you're famous
now you'll live forever
finally famous, love without a lover
now you're nothing but
gold bones and black love
gold bones and black love
now you're nothing but
gold bones and black love
gold bones and black love
now you're nothing but famous
now you'll live forever
finally famous, love without a lover
now you're nothing but
gold bones and black love
gold bones and black love
now you're nothing but
gold bones and black love
gold bones and black love
now you're nothing but famous
now you'll live forever
finally famous, love without a lover (lover)
love without a lover
finally famous, love without a lover (lover)
love without a lover
