MAGIC!

Hey!

Hey!

Hey!

Hey!

Another manic Monday,
praying for the week to go by
While Jimmy's at the golf course,
smoking on a Cuban Delight

Now money, money, we all got to make it, yeah
But right now, I could use a vacation I wish it was Sunday, Sunday funday
A Monday-to-Monday Sunday funday
I wish it was Sunday, Sunday funday
A Monday-to-Monday Sunday funday
Sunday funday

Another torture Tuesday;
I cannot seem to open my eyes
While Suzie's at the dayspa
getting ready for Jimmy tonight

Now money, money, we all got to make it, yeah
But right now, I just need a vacation I wish it was Sunday, Sunday funday
A Monday-to-Monday Sunday funday
I wish it was Sunday, Sunday funday
A Monday-to-Monday Sunday funday
Sunday funday We don't wanna work no more

Life is just too short
Now money, money, we all got to make it, yeah

But baby, this should be a vacation
I wish it was Sunday, Sunday funday
A Monday-to-Monday Sunday funday
I wish it was Sunday, Sunday funday
A Monday-to-Monday Sunday funday
Sunday funday

We don't wanna work no more
Life is just too short
