All for You

Sister Hazel

Finally I figured out,

But it took a long, long time.

Now, I'll never turn about,

Maybe 'cause i'm tryin'There's been time,

I'm so confused.

And all my roads,

Well, they lead to you. I just can't turn and walk away... It's hard to say what it is,

I see in you.

Wonder if i'll always be with you.

Words can't say it,

And I can't do,

Enough to prove,

It's all for you.

And I thought i'd seen it all,

'Cause it's been a long, long time.

Oh, I bottled up and trip and fall,

Wonderin' if i'm blind. There's been time,

I'm so confused.

And all my roads,

Well, they lead to you. I just can't turn and walk away... It's hard to say what it is,

I see in you.

Wonder if i'll always be with you.

Words can't say it,

I can't do,

Enough to prove,

It's all for you.

Rain comes pouring down,

(Pouring down).

Falling from blue skies,

(Falling from blue skies.) Words without a sound,

Comin' from your eyes...Finally I figured out,

But it took a long, long time.

Oh, Now, I'll never turn about,

Maybe 'cause i'm tryin'There's been time,

I'm so confused.

And all my roads,

Well, they lead to you. I just can't turn and walk away... It's hard to say what it is,

I see in you.

Wonder if i'll always be with you.

Words can't say it,

I can't do,

Enough to prove,

It's all for you...Well, It's hard to say what it is,

I see in you.

Wonder if i'll always be with you.

Words can't say it,

I can't do,

Enough to prove,

It's all for you...Ohh...

It's hard to say...Yeah, It's hard to say-ay-hay.It's all for you.
