

Buy My Love (Justin Willis & Mikael Sane Remix)

Wynter Gordon

Don't you hesitate to buy my love I wanna spend your money

Don't get me wrong

Still gunna spend my money

I got the funds

Lets take a quick vacation

A little shopping spree

A fancy destination

We'll spend it all on me You could be my sugar daddy,

I call you my honey honey,

Blow the rent the whole shibang on me

You know how to throw a party,

We can act like it's my birthday,

Lots of ways to make me smile

There's a million ways to show your devotion,

So many ways to sway my emotions

Ooh, ooh.

Don't you hesitate to buy my love Girls like chocolate, kisses and roses

We want jewels, gimme shoes gimme romance

Ooh ooh

Don't you hesitate to buy my love I'm gonna let you spoil me, just for the day.

Your time will come i promise, you'll have your way

No need to thank me baby, a creditcard will do. The love you show me, baby, is coming back to
you. You could be my sugar daddy,

I call you my honey honey,

Blow the rent the whole shibang on me

You know how to throw a party,

We can act like it's my birthday,

Lots of ways to make me smile

There's a million ways to show your devotion,

So many ways to sway my emotions

Ooh, ooh.

Don't you hesitate to buy my love Love me, love me,

How much do you want me?

You can't buy my love,

But you should try, try There's a million ways to show your devotion,

So many ways to sway my emotions

Ooh, ooh.

Don't you hesitate to buy my love Girls like chocolate, kisses and roses

We want jewels gimme shoes gimme romance

Ooh ooh

Don't you hesitate to buy my love
