

# Woman, Amen

Dierks Bentley

I'd lose my way, yeah, I'd lose my mind  
If I faced one day on my own  
I know I was saved, the night that she gave  
This drifter's heart a home. Every night I should be on my knees  
Lord knows how lucky I am  
I'll never say it near enough  
Thank God, for this woman, amen. This world has a way of shaking your faith  
I've been broken again and again  
But I need all the cracks in my shattered heart  
'Cause that's where her love gets in.  
She gives me faith, she gives me grace  
She gives me hope, she gives me strength  
She gives me love, love without end  
Thank God, for this woman, amen. Thanks for the moon and the stars up above  
Forgiveness of sin and your undying love  
Every twist, every turn for the way you made sure  
All my roads led to her. So, tonight I will fall down on my knees  
'Cause Lord knows how lucky I am  
I'm gonna shout at the top of my lungs  
Thank God, for this woman, amen  
Yeah, thank God, for this woman, amen.  
She gives me faith, she gives me grace  
She gives me hope, she gives me strength  
She gives me love, love without end  
Thank God, for this woman, amen.
