Woman, Amen

Dierks Bentley

I'd lose my way, yeah, I'd lose my mind

If I faced one day on my own
I know I was saved, the night that she gave
This drifter's heart a home. Every night I should be on my knees

Lord knows how lucky I am

I'll never say it near enough

Thank God, for this woman, amen. This world has a way of shaking your faith I've been broken again and again

But I need all the cracks in my shattered heart

'Cause that's where her love gets in.

She gives me faith, she gives me grace

She gives me hope, she gives me strength

She gives me love, love without end

Thank God, for this woman, amen. Thanks for the moon and the stars up above

Forgiveness of sin and your undying love

Every twist, every turn for the way you made sure

All my roads led to her. So, tonight I will fall down on my knees

'Cause Lord knows how lucky I am

I'm gonna shout at the top of my lungs

Thank God, for this woman, amen

Yeah, thank God, for this woman, amen.

She gives me faith, she gives me grace

She gives me hope, she gives me strength

She gives me love, love without end

Thank God, for this woman, amen.
