

Fireworkz

Tyrese

Uh, Uh, Uh Eyyy
She thought that I'd be her keeper,
I don't think I ever seen a girl so fly!
Since I said nice to meet ya, I don't wanna leave her,
OoO, I think I really wanna make you mine!
OoO, baby you're a diva,
I don't wanna see her in the whip with any other guy
Come over to my table
I got what you came for
Pick up a glass, girl and let's get right!
Cause you got a hell of a body,
Let me take you to jail in a mati
You got what I need
And you got what you came for
I can get you what these other niggas ain't able!
Oh, baby girl we're doing it
It's so good!
Make 'em other niggas wanna do it like this!
Oh, baby girl we're doing it
It's so good!
I keep on buying bottles if you keep on going on!
Go on and do it, do it, do it!
Tell 'em bring the fireworkz to my table!
Look away and do it, do it, do it, do it
I'm a keep on moving, as long as you can do it!
She said... I'm a give her some
And she won't want more drinking, I'm a give her one!
I'm a bring that ace of spades and some Rosay
I got bounce on baby, you can make some your way!
Cause you got a hell of a body
Let me take you to jet in a
You got what I need
And you got what you came for
I can get you what these other niggas ain't able!
Oh, baby girl we're doing it
It's so good!
Make 'em other niggas wanna do it like this!
Oh, baby girl we're doing it
It's so good!
I keep on buying bottles if you keep on going on!
Go head and do it, do it, do it!
Tell 'em bring the fireworkz to my table!

Look away and do it, do it, do it, do it
I'm a keep on moving, as long as you can do it!
