Wish You Were Here

Incubus

I dig my toes into the sand The ocean looks like A thousand diamonds Strewn across a blue blanket I lean against the wind Pretend that I am weightless And in this moment I am happy, happy I, wish you were here I lay my head onto the sand The sky resembles A backlit canopy With holes punched in it I'm counting ufos I signal them with My lighter And in this moment I am happy, happy

I, wish you were here

I, wish you were here

I, wish you were

Here

Wish you were here

I, oh

The world's a rollercoaster

And I am not strapped in

Maybe I should hold with care

But my hands are busy in the air saying:

I, wish you were here

I wish you were

I wish you were here

I wish you were here

I wish you were

Here

Wish you were here
