## Apollo Brown & Skyzoo

It's hard  
Easy?  
Is not an option  
It's hard living  
Life is hard  
You will go through things and while you're going  
through them you can't understand why it's  
happening to you  
But after you go through it you get back and you  
look at it and you say "Oh, now I understand why I  
needed that lesson."  
And you look at it and embrace whatever comes to  
you  
Don't run from it. Step towards it  
Don't try to duck it like most people do  
See, most people want it easy  
Easy come, easy what?  
Easy go
