

Love N Hennessy

A.CHAL

Dame un poco love with some Hennessy
You know I like it when you're mad at me
I know you're with him pero ven aquí
I know you're with him but you're callin' me
Dame un poco love with some Hennessy
You know I like it when you're mad at me
I know you're with him pero ven aquí
I know you're with him but you're callin' me
In Miami on a Monday
Fucked up, thinkin' where my life went
With her and she like Mariah
Canta when I get inside her
Mira allí I know
I don't call back, yeah it's me, I know
I've been so gone since when we last spoke
Doin' what we did since when we last spoke
Dame un poco love with some Hennessy
You know I like it when you're mad at me
I know you're with him pero ven aquí
I know you're with him but you're callin' me
Throwin' drinks when you see me out
You don't like it when I bring a girl around
I gotta calm you down, sit you on the couch
Pullin' down your hands, grabbin' on your mouth
Mira allí I know
I don't call back, yeah it's me, I know
I've been so gone since when we last spoke
Doin' what we did since when we last spoke
Dame un poco love with some Hennessy
You know I like it when you're mad at me
I know you're with him pero ven aquí
I know you're with him but you're callin' me
Dame un poco love with some Hennessy
You know I like it when you're mad at me
I know you're with him pero ven aquí
I know you're with him but you're callin' me
Woah woah woah fuego fuego
Tu lo haces pones todo
Do en mi delente, and I want it, I'm the goat, goat, goat
When it comes to me and you me tienes loco-co
Yo te busco en la noche, baby
Woah woah woah fuego fuego
Tu lo haces pones todo
Do en mi delente, and I want it, I'm the goat, goat, goat
When it comes to me and you me tienes loco-co
Yo te busco en la noche, baby
Dame un poco love with some Hennessy
You know I like it when you're mad at me

I know you're with him pero ven aquí
I know you're with him but you're callin' me
