

# Real Love (feat. Angela McCluskey)

## Christian Rich

You say keep it close  
It's too good to be real  
I'm a dreamer  
It's too good to be real  
Too good to be real  
I'm a dreamer  
It's gotta be real x2  
Be real like all  
It's gotta be real x2  
Starvin' too much  
Beneath the rain  
You say 'there's no such thing as lovin' too much' Shit is real  
Beneath the rain  
It's gotta be real x2  
Be real like all  
It's gotta be real x2  
It's gotta be real x2  
Be real like all  
It's gotta be real x2
