

Real Love (feat. Angela McCluskey)

Christian Rich

You say keep it close
It's too good to be real
I'm a dreamer
It's too good to be real
Too good to be real
I'm a dreamer
It's gotta be real x2
Be real like all
It's gotta be real x2
Starvin' too much
Beneath the rain
You say 'there's no such thing as lovin' too much' Shit is real
Beneath the rain
It's gotta be real x2
Be real like all
It's gotta be real x2
It's gotta be real x2
Be real like all
It's gotta be real x2
